

International Labor Solidarity Rally for the ILWU

The International Longshore and Warehouse Union has long given support to labor and social justice struggles around the world. Now the ILWU is shackled with Taft-Hartley and finds itself in a life and death struggle. Unions from around the world have responded and have pledged their solidarity with the ILWU.

Come to this critical rally to build international labor solidarity with the West Coast dockers.

**Thursday
October 10
7 pm**

**ILWU Local 10
400 North Point
San Francisco**
